Appearance and Uniform Expectations

Lower School

We have high expectations for appearance in school. We ask that all children abide by the rules below and that families understand that consequences may be incurred if the expectations are not met within school hours.

	Expectations	Key Points
Hair	Neat and tidy presentation	• Brushed and tidy • Hair that is long enough should be tied back • No hair on face (If necessary tie the top back or use a plain band to keep hair off the face) • Natural colouring • No extensions • Hair bands should be discreet and in school colours • Short shaved hair must not include patterns or lines
Nails	Natural	• No nail polish • No extensions
Makeup	Natural	• Makeup should only be used to discreetly cover medical skin conditions if necessary • No lash extensions
Jewellery	Ear piercings only	• A single, small stud may be worn in the lobe of each ear • No other visible piercings are permissible in school • Tattoos or other body art is not permissible (including temporary) • Studs must be removed for PE lessons (Please ensure that children can do this independently and that new piercings are only undertaken at the start of the summer holidays) • Where other jewellery is required due to cultural or religious reasons we ask that you discuss this with us so that we are aware
Skirt and Skort Length	Sensible	• Skirts should be knee length • Skorts need to be of an appropriate length for both modesty and sporting suitability
